ELAINE WATSON  
PRESIDENT OF A.W.S.A. inc.

*The 1984 U/15 Australian Championships to be conducted by Northern New South Wales at Newcastle mark the 3rd year of this competition. With six State Teams entered, excellent and exciting soccer should be seen throughout the carnival.*

*The A.W.S.A. sees these Championships as a stepping stone for young players of ability to proceed to the senior ranks, as well as providing a goal for which all junior players may aim.*

*Experience has shown that Australian players can hold their own on the international scene, and with a World Cup for Women being proposed for 1987 quite a few of the players from this carnival could be included in the Australian Team at that time.*

*I congratulate the Northern New South Wales Association for their enthusiasm and hard work in organising these Championships and hope all competitors take part in a spirit of truly sporting rivalry.*

ELAINE WATSON,  
PRESIDENT

## PRESIDENT'S MESSAGE

ALLAN HAMPTON  
PRESIDENT OF THE N.N.S.W.W.A.S.F.

*On behalf of the "Northern N.S.W. Women's Amateur Soccer Federation", I address this message of welcome to all participants and officials.*

*The Under Fifteen National Championships are perhaps the most important for they are the trials for our future national players. They are also the hardest for the players as it is their first taste and experience at national level. Because of the age factor each year the teams change dramatically enabling fresh talent to be discovered all the time, which enables the progression of experienced players to grow for the future of women's soccer.*

*As in past years the competition will be close and keenly contested. The debut of Tasmania is a welcome one making a total of six teams. Our decision to produce a full programme has proven successful thanks to the co-operation of the various states, advertisers and my executive.*

*We are fortunate to have such a fine venue due to the co-operation of the Northern Soccer Federation, Adamstown Soccer Club and the Northern N.S.W. Soccer Council, thank you, your assistance is appreciated.*

*My congratulations and appreciation is extended to the N.N.S.W.W.A.S.F. and A.W.S.A. committees who have co-operated towards the success of this championship. Wishing you all an enjoyable stay in Newcastle and rewarding competition.*

ALLAN HAMPTON, J.P.  
PRESIDENT.

# *Federation History*

In 1974 an invitation was extended to the Macquarie & District Women's Soccer Association to compete in the first National Titles for Women's Soccer to be conducted in Sydney as they were the only association catering for association football for women. They were permitted to compete under the banner of "Northern New South Wales" in 1974 and did so again in 1975 in Brisbane and Victoria in 1976. During these latter stages other bodies were being organised further north. The then President of the Macquarie & District Women's Soccer Association Mr. Kevin White sent invitations to all those he discovered organising women's soccer to attend a public meeting held in February 1977 to form a Northern N.S.W. Women's Soccer Association.

A successful meeting was held, a constitution was adopted and the election of the first official committee was made, they were President Mr. Kevin White, Secretary Mr. Keith Henry, Treasurer Mrs. Irene Sneyd, Assistant Secretary Mrs. Anne Henry, Registrar Mrs. Leah White. The "Northern N.S.W. Women's Amateur Soccer Association" was officially formed and covered an area from the Hawkesbury River in the south to the Queensland Border in the north. This enabled girls outside the Newcastle area to be selected in the state team in 1977 to compete in the national titles held in Perth.

Currently women's soccer in Northern N.S.W. is being played not only with organised bodies affiliated with the Northern N.S.W. Women's Amateur Soccer Association, but also in the schools, and universities within the region.

**Affiliated Branches to N.N.S.W.W.A.S.A. are:-**

- Macquarie & Districts Women's Soccer Assoc. (Newcastle)
- Central Coast Women's Soccer Association. (Gosford)
- Far North Coast Women's Amateur Soccer Assoc. (Lismore)
- Tamworth Women's Soccer Association (Tamworth)
- U.N.E. Armidale Women's Soccer Association (Armidale)

Women's soccer is being played in other areas of N.N.S.W. however they have yet to form associations and become members as the above have already done.

In 1979 a change of name took place as follows "Northern N.S.W. Women's Amateur Soccer Federation" and at the same time they became affiliated to the Northern Soccer Federation Ltd. Since 1980 the Federation has conducted State Championships between its affiliated Branches in Senior, Under Seventeen and Under Fifteen divisions. The Championships are held over the Queen's Birthday Long Week-end in June each year. From these championships the N.N.S.W. State teams are selected in all three divisions. The week-end is highlighted by the presentation disco at which the N.N.S.W. state squads are announced.

Through the formation of the Northern N.S.W. Soccer Council in 1982 which comprises the Northern Soccer Federation Ltd, Northern N.S.W. Amateur Federation, The Christian Churches Soccer Assoc. and Northern N.S.W. Women's Amateur Soccer Federation, government funding has been achieved and a greater understanding between the various soccer bodies has resulted. The soccer council has proven that the various soccer bodies can work together on matters of policy and in the interest of soccer in general. Mr. Allan Hampton is this federation's delegate on the council and a director as are all of the members.

Life membership has been bestowed on Mr. Kevin White and Mrs. Irene Sneyd with Mr. John Brockman a life patron. Other members that have given many hours of service to the federation are Mr. Lionel Sneyd, Mrs. Pat Moffitt, Mr. Allan Hampton, Mr. Garry Chamberlain and Mrs. Elaine Iserief.

In the short ten years women's soccer has been under way in Northern N.S.W. a great deal has been achieved with the rewards being many. The state Senior team has been runner up at the national titles in 1974, 1980 and 1982. Since the Under Fifteen titles have been played they were runner up in 1981, winners in 1982 and runner up in 1983 with several players being named in the National Squads during this period.

During 1983 discussions were commenced with the Northern Territory and New South Wales to participate in an invitational under seventeen competition. March 1984 saw this competition under way in Darwin and it is hoped this will continue in the following years with other states being involved and eventually be conducted as a national title. A combined conference between Northern New South Wales, New South Wales and Australian Capital Territory took place at the invitation of Northern New South Wales in February 1984 at Gosford in order to create a closer and more understanding working relationship between the states in the interest of women's soccer and proved to be a great success. From this conference a new metropolitan league has been formed, agreement on the various boundaries made and the re-organisation of the October Long Week-end tournament. It is hoped this conference will become an annual event.

The future certainly looks promising.
